THE CHALLENGES  
OF AESTHETIC MEDICINE  
AND DERMATOLOGY

*Dear Colleagues and Friends,*

We are pleased to invite you to participate in the **International Congress of Aesthetic Medicine Practical**, taking place on **22-23-24 November 2018, in Rome, Italy**. This year the theme will be “**The Challenges of Aesthetic Medicine and Dermatology**”. Thanks to our prestigious Scientific Committee, the Scientific Societies involved, the medical experts and the scientific supervision of the **Guglielmo Marconi University**, we are confident to offer a highly interactive and multidisciplinary scientific program that will provide an ideal setting for updating, discussion and to generate new ideas and knowledge development.

Based on a partnership between ICAMP, ISCD, INDERCOS, WHAID and UNICAM, **ICAMP 2018** brings together Italian expertise and international networks to offer an unparalleled platform, with expert speakers and cutting edge scientific content. The program will be divided into three parts: challenges, expert panels and sessions. *The content will be a perfect fusion of continuing education, training at the highest level, **open exchange of information between delegates and key opinion leaders, live demonstrations** and plenary sessions with world-class faculty delivering their insights and practice pearls on the most relevant and techniques, products and knowledges in aesthetic & dermatologic practice.* Join us in Eternal City and celebrate with us at ICAMP 2018!

THE CHALLENGES  
OF AESTHETIC MEDICINE  
AND DERMATOLOGY

*Cari colleghi e amici*

Siamo lieti di invitarvi a partecipare al **Congresso Internazionale di Medicina Estetica Pratica** che avrà luogo a **Roma il 22.23 e 24 novembre 2018**.

Quest'anno il tema sarà **le sfide della Medicina Estetica e della dermatologia**. Grazie al nostro prestigioso comitato scientifico, alle società scientifiche coinvolte, ai relatori esperti della materia e sotto la supervisione scientifica dell'**Università Guglielmo Marconi**, siamo certi di offrirvi un programma scientifico altamente interattivo e multidisciplinare che vi darà una ambientazione ideale per la discussione, l'aggiornamento e per generare nuove idee e sviluppare le vostre della conoscenza. Basato su una partnership tra ICAMP, ISCD, Indercos, WHAID e UNICAM, **ICAMP 2018** mette insieme l'esperienza italiana con i network internazionali per offrire una piattaforma senza precedenti, con relatori esperti e contenuti scientifici all'avanguardia. Il programma sarà diviso in tre parti: sfide, tavole rotonde e sessioni.

Il contenuto sarà una perfetta fusione di educazione continua, formazione ai più alti livelli, **scambio di informazioni tra partecipanti e key opinion leaders e sessioni plenarie con faculty mondiale** che trasmettono le loro intuizioni e le loro perle pratiche sulle tecniche, i prodotti e le conoscenze più rilevanti e all'avanguardia nella pratica medico estetica e dermatologica

Unitevi a noi nella città eterna e celebrate con noi a icamp 2018!

# EXHIBITION

2018

Over the years, ICAMP has experienced great growth and has now become one of the largest international congress dedicated to medical aesthetics in Italy.

About 30 exhibitors are expected to showcase this year. These industry partners are an integral part of the success of the show, bringing new technologies, devices and concepts.

Apart from its highly intense scientific program, another major highlight of ICAMP is the Symposium Program, where industry partners are given a special platform to present their own new innovations.

During the following **sponsored program/workshops**, new products and technologies including live demonstrations will be conducted by their key opinion leaders:

**BIOTEC • FARMABIO TECHNOLOGY • HARMONY PROGRESS • MERZ • TECHNOLUX WORLDPHARMA GROUP.**
